

# California

## *Household Hazardous Waste Information Exchange*

---

### 8<sup>th</sup> Annual Statewide HHW and Used Oil Conference

## Call for Papers

***Only You Can Make it Your Conference!***

**We need your insight and your creative energy to make your 2003 conference program, an excellent one !**

Do you have an issue or project that is close to your heart? You can help develop a session by being a moderator (see reverse) or by submitting a paper and participating in a session at the conference.

**LOCATION** Granlibakken, Tahoe City, CA.

**DATE** March 24-28, 2003

**TOPICS** **Any topic is welcome!** We are developing one conference track for program basics, as well as two advanced tracks of hot topics to assist managers in evolving their programs.

***Wondering if you should submit a paper? The answer is probably YES!***

- Has your program recently achieved great success through expansion or innovation? Submit a paper!
- Has your program successfully addressed problem materials or issues? Submit a paper!
- Have you attended a recent training or talk that you found useful? Send us a reference or idea!
- Have you learned lessons in your programs that would benefit new managers? Submit a paper!
- Are you a big fan of a particular program or speaker in the state or nation for any of these reasons? Ask them to submit a paper!

#### **HOW TO SUBMIT A PAPER**

Please submit your brief biography and an abstract describing your topic preferably, by email attachment. Abstracts may be submitted on your agency's letterhead or include that contact information and are limited to one page. Be sure to also include your individual contact information including name, title, phone number, fax number and email address.

**DUE DATE** **ABSTRACTS DUE 12/02/02**

**SEND TO** If possible, please submit your paper in electronic format by emailing them to Matt McCarron at [mmccarro@ciwmb.ca.gov](mailto:mmccarro@ciwmb.ca.gov).

If not, snail mail or fax it to: 916-319-7658
